

# CORONAVIRUS

## COVID-19 MEASURES

32 Dental Solutions is taking Superior Steps for Infection Control for You & Your Family's Safety

### WHAT WE ARE DOING TO ENSURE YOUR SAFETY

#### (1) Sanitization on Arrival

As soon as Patient enters Clinic, we Sanitize him/her using Sanitizer

#### (2) Temperature Evaluation

We allow admission after thorough Temperature & Travel History Evaluation

#### (3) Maintaining Social Distancing

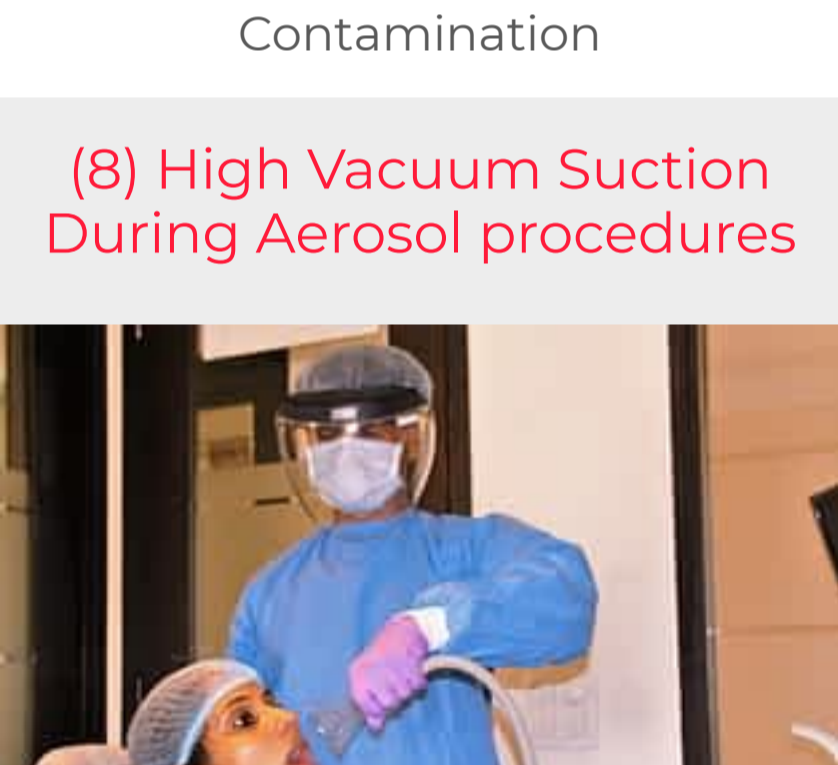

2-3 Patients in a Day with appointments only while maintaining social distancing

#### (4) Surgical Gowns, Headcap & Shoe Covers for Patients

Each and every patient is Provided with These single use kits before entering the Clinical Area

#### (5) Checking Oxygen level using Pulse Oximeter

We use Pulse Oximeter Device to know Blood Oxygen Saturation Level of the Patient when needed

#### (6) Single use PPE Kits for Doctors & Attenders

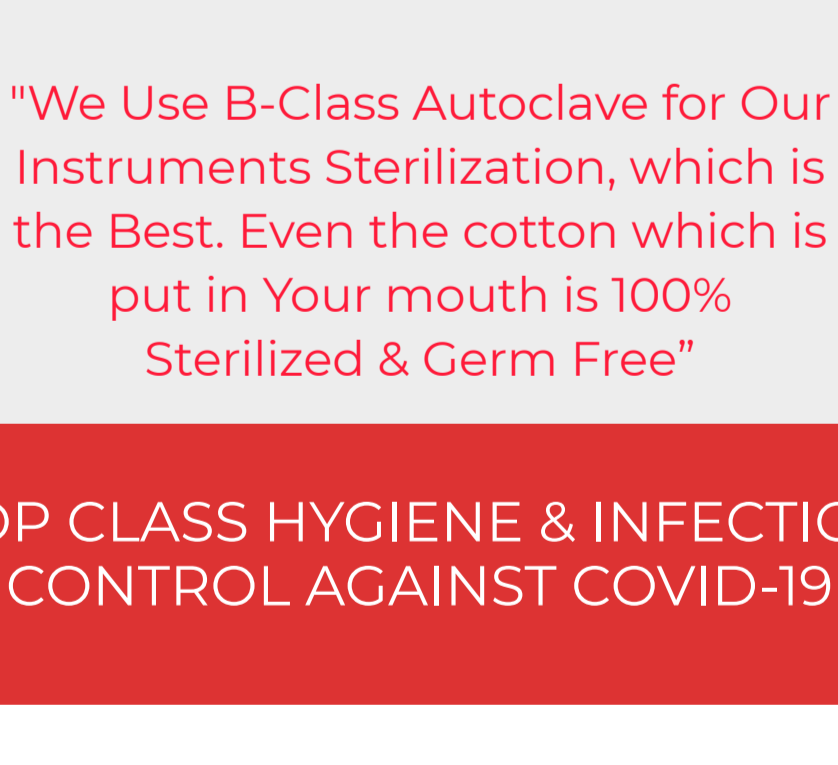

All Doctors & Staff will attend you using Single use PPE kits during your Treatment

#### (7) Use of Faceshield During Procedures

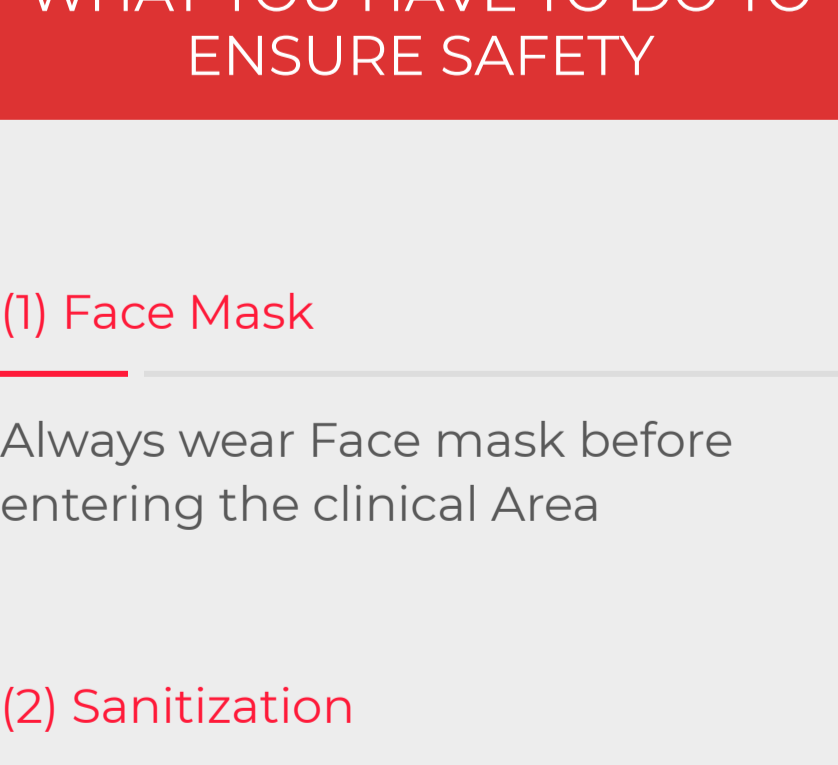

Along with PPE Kits we use Face shields to avoid any sort of Contamination

#### (8) High Vacuum Suction During Aerosol procedures

We use Durr high vacuum suction for minimizing the Aerosol spillage further adding the safety

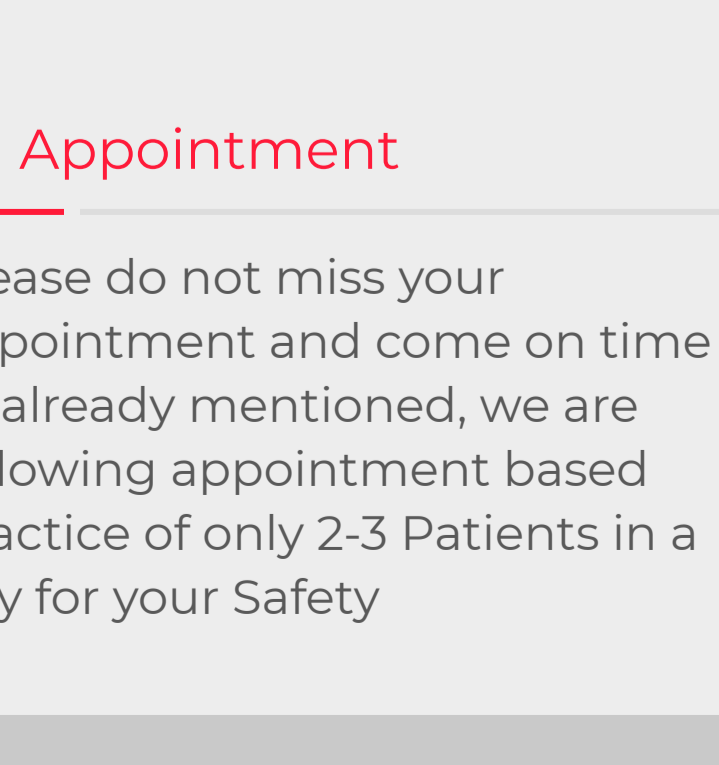

#### (9) Disinfecting the Clinic Using Fog Machine

After Each and Every Procedure, the chamber is thoroughly Sanitized using Fog Machine

### "ADVANCE 5 STEP STERILIZATION PROTOCOL"

**32 DENTAL SOLUTIONS™**  
**YOU ARE IN SAFE HANDS**  
**OUR INSTRUMENTS ARE 100% STERILIZED**

**Strict Sterilization and Disinfection Protocol**  
**Feel Free To See Our Sterilization Protocol**

"We Use B-Class Autoclave for Our Instruments Sterilization, which is the Best. Even the cotton which is put in Your mouth is 100% Sterilized & Germ Free"

### TOP CLASS HYGIENE & INFECTION CONTROL AGAINST COVID-19

### WHAT YOU HAVE TO DO TO ENSURE SAFETY

#### (1) Face Mask

Always wear Face mask before entering the clinical Area

#### (2) Sanitization

Sanitise your Hand as soon as you enter clinic toward the reception area

#### (3) Temperature Checking

Get your Temperature checked at the Reception before Admission

#### (4) Consent

Carefully read and Sign the Covid-19 consent form which inform us of any recent Medical, Travel or any other information about you and your Family members which is important for Declaration.

#### (5) Appointment

Please do not miss your appointment and come on time as already mentioned, we are following appointment based practice of only 2-3 Patients in a day for your Safety

Note : There is No Membership or Membership Benefits till the Covid-19 Period.

### STRICT STERILIZATION PROTOCOL FOR UNMATCHED SAFETY
